The Source for Information on Commercial Real Estate & Corporate Relocation Solutions

Unlocking Real Estate Information for 28 Years

Espace Publications produce bilingual magazines that focus on the commercial real estate industry in Montreal and Quebec City. The editorial content includes topics of interest to real estate owners, investors, property managers, brokers, architects, lawyers, and accountants -- while also informing real estate decision makers working with corporate and commercial space users.

With industry-leading in-house real estate statistics and information on commercial real estate trends and activity in the greater Montreal and Quebec City regions, Espace Publications dynamic real estate guides are an effective and befitting showcase for high quality advertising content promoting properties and services for commercial real estate professionals and commercial tenants. Espace Montreal and Espace Quebec provide marketing opportunities that maximize the exposure of properties and services to a quickly evolving industry.

Espace Montreal has built its' reputation in the commercial real estate industry over two and a half decades. Our loyal readership and high-quality production standards ensure that our advertiser's message is delivered to key commercial real estate industry players and corporate decision makers. Each issue communicates the message of a successful and progressive industry to the greater business community, political decision makers and general public.
